THANKS TO REVIEWERS

Acknowledgment to the Reviewers 2023

The *Emerging Publishing Society* and the editors of *Emerging Medical Science* would like to extend our sincere gratitude to the reviewers who have consistently supported the peer review process throughout 2023. This year, we have decided to withhold the names of our reviewers to honor the anonymity upheld by our single-blind peer-review system. Nevertheless, we deeply appreciate the time, effort, and expertise contributed by each reviewer, which has greatly enhanced the quality of the manuscripts submitted and published this year. Reviewers can still request their personalized "Certificate of Review" through the journal's submission system as recognition of their valuable contributions.
